JOINTLY ORGANIZED BY

National Digital Library of India, IIT Kharagpur  
&  
Cooch Behar Panchanan Barma University

## ABOUT THE SEMINAR:

The National Digital Library of India (NDLI), IIT Kharagpur is proud to present a thought-provoking and enlightening two-day national seminar on "Users Awareness on NDLI and NDLI Club with a Special Focus to Sustainable Development in Education." In collaboration with Cooch Behar Panchanan Barma University, this event aims to foster a deeper understanding of the role that NDLI plays in shaping the future of education and its crucial connection to sustainable development.

## ABOUT THE NATIONAL DIGITAL LIBRARY OF INDIA:

National Digital Library of India (NDLI) is a National Mission on Education through Information and Commu-

nication Technology (NMEICT) Project developed by the Indian Institute of Technology Kharagpur (IIT KGP), under the aegis of the MoE, Govt. of India. It is a single-window platform providing learning resources that make e-Learning and education accessible to all, bringing digital repositories to users of all demographics from India and the World. NDLI is operating with a mission to create a 24X7-enabled integrated ubiquitous digital knowledge source for the Nation – catering to immersive e-Learning for all learners, at all levels, in all areas. This unique team forms a dynamic, passionate core for our engine, and works around the clock to bring alive a vision to democratize education which can help harvest the infinite potential of a young India.

### KEY FOCUS AREAS:

- **Empowering Access to Educational Resources:** NDLI, as a pioneering digital library, has been instrumental in democratizing access to a wealth of educational resources. The seminar will delve into how NDLI's extensive repository of digital content has empowered students, educators, and researchers across diverse fields, contributing significantly to the democratization of education.

- **NDLI Club: A Catalyst for Collaboration:** The NDLI Club, an integral component of NDLI, serves as a dynamic platform for collaboration and knowledge exchange. The seminar will highlight the collaborative initiatives undertaken by the NDLI Club, fostering partnerships that drive sustainable development in education.
- **Innovations in Pedagogy and Learning:** Explore how NDLI has catalyzed innovations in pedagogy and learning methodologies. By providing access to a diverse range of learning materials, NDLI has been instrumental in shaping progressive and inclusive educational practices that align with the principles of sustainable development.
- **Digital Literacy and Inclusion:** The seminar will address the role of NDLI in promoting digital literacy and inclusion. By bridging the digital divide, NDLI has empowered learners from all walks of life, ensuring that sustainable development in education is inclusive and accessible to everyone.

### SEMINAR HIGHLIGHTS:

- **Expert Speakers:** Learn from renowned experts in the fields of education, technology, and sustainable development who will share their insights and experiences.
- **Interactive Workshops:** Participate in hands-on workshops to enhance your skills, exchange ideas, and discover innovative approaches to education and sustainable development.
- **Networking Opportunities:** Connect with like-minded individuals, educators, and professionals who share a passion for advancing education and contributing to sustainable development.
- **Collaboration with Cooch Behar Panchanan Barma University:** Benefit from the collaboration with one of the esteemed universities in the region, providing a diverse and enriching perspective to the seminar.

Join us in this enlightening seminar, where we aim to deepen our understanding of how NDLI and NDLI Club are shaping the landscape of education in India, driving sustainable development and ensuring a brighter, more inclusive future for learners nationwide.
